OBJECTIVE

Senior at Tulane University seeking experiences where I can leverage my education, past experiences, and professional skills to further my career growth. Interested in master's degree programs in public health, psychology, or social work.

EDUCATION

Bachelor of Science in Public Health, Bachelor of Science in Psychology

Tulane University Honors Program

GPA: 3.97

May 2022

New Orleans, LA

RELEVANT EXPERIENCE

Incoming Health Transformation Specialist, Current Intern

June 2021-Present

Aon Launch Program

Remote

- Participated in Aon's 10-week summer internship program, learning about Aon's company and culture while further developing my professional skills through weekly business development learning sessions.
- Worked with 9 interns across solution lines to suggest improvements to Aon's wellbeing communications and colleague engagement strategy. Presented findings to Aon's Director of Colleague Wellbeing.
- Develop Thought Leadership material, attend vendor meetings, and assist in RFIs and RFPs for client projects.

Social Perception Lab Undergraduate Research Assistant

January 2020-May 2022

Tulane University Department of Psychology

New Orleans, LA

- Assisted on over 5 different research projects investigating stereotyping, prejudice, and discrimination
- Administered experiments and post-experiment debriefing sessions, acted as a research confederate, assisted with developing and piloting study materials, recruited participants, entered and managed data, and analyzed results using SPSS.
- Conducted independent psychology research examining how perspective-taking affects endorsement of negative meta-stereotypes to improve intergroup anxiety between White Americans and Black/African Americans.
 - Prepared the IRB application, developed study materials, and managed data collection and analysis.
 - Presented findings at an Undergraduate Poster Session at the 2022 Society for Personality and Social Psychology annual conference
 - Applied to and received over \$3500 in grant funding from Tulane's Department of Psychology, Center for Engaged Learning and Teaching, and Newcomb-Tulane College's Office of Academic Enrichment to support this research.

Child Abuse Prevention Intern

August 2020-December 2020

The UP Institute

New Orleans, LA

- Worked with a team of 7 and contributed to projects and initiatives aimed to reduce adverse childhood experiences through upstream solutions, promoting resilience and improving community outcomes.
- Helped develop a comprehensive victim advocacy training program to prepare family advocates for the delivery of coordinated evidenced informed services.

ADDITIONAL EXPERIENCE

TIDES Peer Mentor, Tides Peer Mentor Team Leader

August 2019-December 2021

Newcomb-Tulane College

New Orleans, LA

- Lead and provide guidance to 6 Peer Mentors and assist NTC staff with the planning and implementation of Fall/New Student Orientation Training.
- Provide mentorship to 15 first-year students through their first-year seminar class, informing students about academic resources and involvement opportunities via weekly announcements and correspondence.
- Supply individual support for students through regular one-on-one meetings throughout the semester.

SKILLS

- **Computer:** Proficient in Microsoft Word, Excel, Outlook, and PowerPoint. AutoCAD certified.

AWARDS AND ACCOLADES

- Tulane Dean's Honor Scholarship Recipient

2018-2022
